July/August 2022

Tony Evans once told the story of a flight attendant who wanted to go on a trip and she received a seat that was available in first class. At no cost to her, she was able to fly to Europe.

An emergency occurred on the airplane that made it so that they were in need of another flight attendant. She raised her hand and let them know she was a flight attendant, and even though she was on vacation taking a trip to Europe, she would be glad to serve as the additional help that was needed.

She was not serving to get to Europe; that had already been taken care of. It was part of the package of being a flight attendant for the airline. But she had no problem serving on the airplane either, because she was just so grateful for the benefit to be able to ride to Europe at no cost to her. That service was a joy and not a complaint.

It's unfortunate today that many people are serving Christ in order to earn "brownie points"

to make sure they're saved, rather than serving Christ out of the overwhelming joy of the free ride. God wants your service NOT as a validation for your salvation. No...instead, he wants your service out of your joy for the assurance of your salvation.

Do you get a sense of joy from serving in church? If not, why not?

- Pastor Jim.
