NOVEMBER/DECEMBER

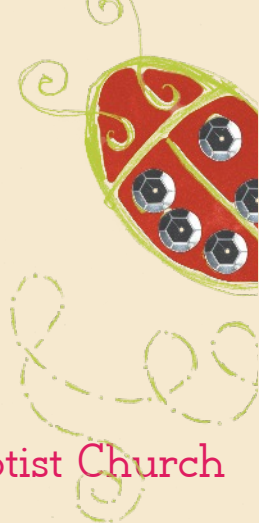

PASTOR'S CORNER

On Sunday Mornings, we have been going through the book of Psalms. In Psalm 19:8, David says, "The commands of the Lord are right, bringing JOY to the HEART." (NLT).

Having a Relationship with Christ brings us joy. There was an article from a SAGE Psychological journal suggesting that believers are more happy than atheists. The authors studied 16,000 twitter

users., separated as believers and unbelievers based upon the people/groups that they followed. They put all the words of their tweets into a text analysis program. They found that words like, "Love, Happy, & Great" were most popular amongst believers. Conversely, words like, "Bad, Wrong, & Awful" were most popular amongst atheists. Having a relationship with Jesus truly does bring us joy!
-Pastor Jim.
